To Whom It May Concern:

I am writing to recommend the services of Braman Termite & Pest Elimination. We have been working with Rob Weinstein and Braman for over 25 years and have been very satisfied with their services. We are a very busy boutique hotel with 106 guest rooms and two large kitchens, and Braman has been able to routinely service the entire facility without a concern.

We have been very happy with the level of expertise and professionalism of all of Braman's technicians. We utilize their service program for monthly extermination and preventative maintenance. We also rely on them to service any other concerns that may arise throughout the month.

I feel very confident in recommending Braman Termite & Pest Elimination services. They are thorough, easy to work with, and always willing to take the time to discuss my concerns and answer any questions.

If you have any further questions, please feel free to contact me.

Sincerely,

Essie Motameni  
General Manager
