

Michael H. Bensché  
Director of Marketing  
Braman Termite & Pest Elimination  
147 Almgren Drive  
Agawam, MA 01001

Michael,

I am pleased to write you this letter of recommendation relative to the service Braman Termite & Pest Elimination provides to Pioneer Cold Logistics.

Pioneer Cold is a food grade storage facility. A comprehensive pest control program is critical to maintaining the outstanding quality that our facility requires. Not only is the maintenance of the equipment excellent, the all-important documentation and recordkeeping is always maintained at a high level. Recently Braman introduced electronic reporting for Pioneer's logs. This innovation speaks to Braman's on-going desire to continually provide customers the highest level of quality service.

Braman has successfully served Pioneer for well over ten years and is a valued provider.

Thank you.

Clement J. DeLiso, Jr.  
President
