To Whom It may Concern,

The Vermont Foodbank has been very pleased with the outstanding service from Braman Pest Control. They have provided professionalism, and great customer service for all of our needs. The technicians are very customer friendly and can answer most of my questions. If for some reason they cannot answer my question, they bring my question back to their supervisor. The supervisor of Braman will follow up with me through email, or phone call to answer my questions immediately. We have been working with Braman now for years. My mind is at ease knowing all my paper work is correct and in the book for my AIB inspections. Not only that, a supervisor from Braman will be at our facility the day of the inspection to answer any questions from the auditor. The whole Braman staff has made it a pleasure to work with, and I look forward to many more years of service.

Sincerely,

A handwritten signature in blue ink that reads "Chris Thayer".

Chris Thayer

Branch Manager
